Retirement: A Land Without Alarm Clocks

A choice awaits you. Choose wisely...

This Christmas, I have decided to get you something that will be useful for you in your upcoming retirement. However, I am going to let you choose what you get. Please choose *one* of the following sets of gifts.

CHOICE A

Your first option consists of a genuine shuffleboard set, as well as a deck of cards, complete with a copy of the rules for the game "Kings In The Corner".

CHOICE B

Your second option includes a one-year basic membership with AAA, as well as a one-year "America The Beautiful Pass", both to be purchased on a date of your choosing.
